The suppliers should go through the specification very strictly before quoting the rates. The suppliers are responsible to prove the quality mentioned with sample or with authenticated documents, failing which the rates quoted will not be accepted. The supplier should quote all the rates for all the items in which minimum 25% of the quotation rates if approved will be eligible to receive the supply orders. It may be noted that for standard quality only single rate against the items should be quoted. In case more than one rate quoted for single items in the name of quality; the same will not be considered.
